

Preventive and protective vaccinations. Prevention Insurance Livo.

CSS pays a share of the cost of medically recognised preventive vaccinations in Switzerland and protective vaccinations for holidays and foreign travel, as listed below, under "Prevention Insurance Livo" supplementary insurance, taking into account the cost participation and maximum amounts indicated.

Cost participation and maximum amount
(see Art. 2.1 SC)

50%, max. CHF 200 per calendar year

The obligation to pay benefits is governed by the General Insurance Conditions (GIC) and the Supplementary Conditions (SC) of "Prevention Insurance Livo".

The following list is compiled by CSS and may be amended unilaterally by CSS (see Art. 40.2 GIC).
