Art. 3 Beginning and end of insurance for short-term contracts

(Contracts for a maximum of 31 days)

The insurance cover is valid from the date of departure and ceases on expiry of the chosen contract term. Art. 4 Beginning and end of insurance for annual contracts

The insurance begins and ends as shown on the policy. The contract will automatically be renewed on a year-by-year basis unless it is terminated in accordance with Article 5.

Art. 5 Termination of annual contracts

5.1 On expiry

- a) The policyholder has the right to terminate the insurance in writing as of the expiry date, even if a longer contract term has been agreed, with effect from the end of the third or each successive insurance year, subject to a one-month notice period.
- b) CSS has the right to terminate parts of the contract in writing as of the expiry date, even if a longer contract term has been agreed, with effect from the end of the third or each successive insurance year, subject to a one-month notice period. This right does not apply to the parts of the contract concerning medical costs and personal assistance insurance.

5.2 In the event of a claim

After every claim for which CSS pays benefits, the respective part of the contract can be terminated; the contract can be terminated as a whole by the policyholder:

- a) By the policyholder, within 14 days of being notified of the benefit payment or, in the case of benefits from

Legal Protection Insurance while Abroad, within 14 days of learning that the claim has been settled. Cover terminates when CSS receives notice of termination.

Notice of termination must be served in writing.

- b) By CSS, at the latest on payment of the benefit or, in the case of benefits from Legal Protection Insurance while Abroad, on notifying that the claim has been settled. Insurance cover ends 14 days after the policyholder receives the notice of termination. This right of termination does not apply to the parts of the contract concerning medical costs and personal assistance insurance.

5.3 If the policyholder moves his legal residence abroad

Transfers of legal residence abroad must be notified to CSS immediately. Providing notice of departure to the competent authorities constitutes a transfer of legal residence. Travel insurance ceases on the date of de-registration.

7.2 If the policyholder does not agree to the new premium, he can terminate the relevant part of the contract, or the entire contract, as of the end of the current insurance year. CSS must receive notice of termination at the latest on the last working day of the insurance year. Notice must be given in writing.

Art. 8 Premium refunds for annual contracts

If the insurance is cancelled for legal or contractual reasons before the agreed term expires, then CSS will generally refund the unused portion of the premium.

No refund will be made if the insurance was in force for less than 12 months when terminated by the policyholder in the event of a claim.

Art. 9 Emergency Centre

9.1 The emergency number for the Emergency Centre communicated by CSS must be contacted immediately if an insured person suddenly falls ill, has an accident, faces premature birth at home or abroad, or requires legal protection while abroad and needs to be hospitalised, requires assistance or legal protection. The centre is available 24 hours a day (including Sundays and public holidays). The Emergency Centre gives advice on how to proceed and organises help as needed.

9.2 The CSS Emergency Centre arranges, orders or implements and pays for the necessary assistance in accordance with Art. 9.1.

9.3 The cost of measures in accordance with Art. 9.1 which were not ordered by the CSS Emergency Centre will be reimbursed by CSS only up to the amount that would have been incurred if the Emergency Centre had made the arrangements.

Art. 10 Obligations and duties in the event of a claim

- 10.1 General duties
- a) The policyholder or eligible claimant must inform CSS immediately when an event occurs for which a claim may be brought and provide CSS of his own accord with all the information and documents, such as medical certificates, official death certificates, police reports, original invoices, and confirmation of reservations, etc. that are necessary to assess the claim.
 - b) In case of illness or accident, the insured person must obtain expert medical treatment and inform the Emergency Centre immediately. The insured person must release the doctors and any companies CSS uses to investigate the claim from the obligation to maintain confidentiality towards CSS.
 - c) If invoices are incomplete and no supplementary information is provided at CSS's request, the insured person is not entitled to benefits.
 - d) The insured person must inform CSS about all benefits received from third parties (e.g. other insurers).
 - e) CSS can request an authenticated translation into one of Switzerland's national languages or English at the expense of the insured person.
- 10.2 CSS must be informed if any rail or airline tickets purchased by the insured person before the insured event occurred are no longer required because of the services provided through personal assistance insurance so that the cost of such rail or airline tickets can be reimbursed by the carriers or third parties; the same applies if the tickets are sold or kept for later use. Any compensation for unused tickets will be deducted from the benefits CSS pays. If the obligation to notify is ignored, CSS can either claim back or offset the amount after studying the matter with due care.
- 10.3 Under the terms of legal protection insurance, the insured person must call the CSS Emergency Centre in Switzerland in urgent cases (serious injuries, cases of arrest, confiscation of a vehicle) using the emergency number. The company will engage a local lawyer to intervene if necessary.
- 10.4
- a) Under the terms of luggage insurance, in case of theft and robbery the insured person must notify the local police and transport carrier, as the case may be, immediately.
 - b) In case of damage to luggage, the insured person must make the damaged items available at the request of CSS.
- 10.5 If an event occurs or a medical condition arises that could lead to benefits from the cancellation costs insurance, the booking agency (travel agency, carrier, hirer, etc.) must be informed immediately in addition to CSS.

Art. 11 Breach of obligations and duties/waiver of obligation to pay benefits

If the insured person wilfully breaches his obligations or duties and thus influences the scope of the claim, CSS can refuse or reduce benefits. In particular, the obligation to pay benefits ceases if facts are deliberately falsified or withheld for the purpose of deceiving the insurer, even if the insurer is not disadvantaged.

Art. 12 Claims on third parties

If CSS pays benefits from this contract which the insured person can claim from a third party, the insured person must assign these claims to CSS in the amount it has paid. This provision does not apply to benefits from medical costs insurance. Art. 4 of the AVB (Part 2) applies to medical costs insurance.

Art. 13 Advances on costs

Advances on costs up to a maximum of CHF 10,000 must be repaid within 30 days of returning to the place of residence or, at the latest, 60 days after payment. The insured

person must pay 5% interest on arrears if he fails to meet the repayment deadline.

Art. 14 Due date for payment of insurance benefits, period of limitation and forfeiture

The benefit is due for payment 30 days after CSS has received all the documents necessary to determine the scope of the claim and its liability. Claims arising from this contract become time-barred five years after the circumstances arise that constitute grounds for the obligation to pay benefits. For contracts entered into before 1 January 2022, debts of the policyholder continue to become time-barred after two years.

Art. 15 Non-insured events and benefit limits

Cover restrictions and benefit limits are indicated for each category of insurance (Parts 2–5).

Art. 16 Data protection

Data protection is based on the Federal Insurance Contract Act (VVG) and the Federal Data Protection Act (DSG). The processing of data by CSS is explained in the privacy policy. This describes how CSS processes personal data. The privacy policy has a strictly declaratory effect and does not form part of the contract. It can be accessed at css.ch/data-privacy or ordered from CSS Insurance, Data Protection Advisor, Tribtschenstrasse 21, P.O. Box 2568, 6002 Lucerne.

Art. 17 Place of jurisdiction

Claims arising from this contract can be brought before a court only at the insured person's legal residence in Switzerland or at CSS's registered office in Lucerne.

Art. 18 Applicable law, formal requirements

The provisions of the Federal Insurance Contract Act (VVG), the provisions on legal protection insurance of the Insurance Supervision Act (VAG), and the relevant implementing provisions in the Ordinance on the Supervision of Private Insurance Companies (AVO) apply in their current version.

The amendments of the revised Insurance Contract Act of 19 June 2020 also apply to contracts entered into before 1 January 2022. An exception is made for the insured person's debts. These continue to become statute-barred after two years.

Where written form is required in the AVB, any text form capable of producing a written record will suffice. If no formal requirement is specified in respect of a notification, it may be made orally.

Art. 19 Definitions

Art. 7 Settling claims and mandating a lawyer

- 7.1 Claims are handled by Orion Rechtsschutz-Versicherung AG, Aeschenvorstadt 50, 4051 Basel (hereinafter referred to as 'Orion').
Once the case has been passed to Orion, it determines how to proceed in the interests of the insured person. Orion conducts the negotiations for an amicable settlement and proposes mediation in appropriate cases. Orion decides whether to involve a lawyer or mediator and whether to draw up expert opinions. Orion can impose restrictions as to the amount or substance of the warranty to defray costs. The insured person undertakes not to hire a representative without first having received a written declaration of consent from Orion. If the insured person retains a lawyer, next friend or mediator before reporting the case to Orion, any costs incurred by the insured person prior to reporting the case will be covered only up to CHF 300. Unless agreed otherwise, Orion will bill the lawyer (including in the event of a court case) on an hourly basis. Orion will not pay any contingency fee that the policyholder may have agreed upon with the lawyer.
- 7.2 Instead of absorbing the costs in accordance with Art. 3, Orion is entitled to compensate the financial interest in full or in part. The latter is calculated on the basis of the amount in dispute with due consideration of the litigation and del credere risk.
- 7.3 Orion grants the insured person complete freedom to choose an attorney if representation is needed for court or administrative proceedings or in the case of any conflicts of interests. Orion is entitled to reject a lawyer proposed by the insured person. The insured person may then propose three lawyers from different law firms in the relevant jurisdiction, from which Orion will choose the lawyer to be retained. This applies regardless of whether there was a duty to grant complete freedom to choose an attorney or Orion consented to the retaining of a lawyer for other reasons. No reason need be given for refusing a lawyer.
- 7.4 The insured person or his legal advisor must provide Orion with the necessary information and powers of attorney. All papers that have a connection to the case such as notice of fines, summonses, judgments, correspondence, etc. must be forwarded to Orion immediately. If a lawyer has been retained, the insured person must authorise such lawyer to keep Orion informed about the development of the case including, but not limited to, providing Orion with the documents needed to assess the insurance cover or the prospects of success.

- 7.5 The insured may conclude settlements containing obligations that are detrimental to Orion if, and only if, he obtains Orion's consent.
- 7.6 Any costs of proceedings or damages awarded to the insured person (in or out of court) devolve to Orion to the extent of the benefits already provided.

Art. 8 Differences of opinion

- 8.1 If there are differences of opinion regarding the conduct of an insured legal case or the prospects of success for the legal case, Orion will justify its legal opinion immediately in writing and simultaneously remind the insured person of his right to initiate arbitration within 20 days. Any failure by the insured person to request arbitration by this deadline is deemed to be a waiver. Upon receiving this notification, the insured person must take all measures needed to protect his interests himself.
Orion cannot be held liable for the consequences of inadequate representation of interests, including, but not limited to, missed deadlines. Each party must advance half of the costs of the arbitration; these costs must be borne by the losing party. The failure of one party to advance the costs will be construed as this party's acknowledgement of the opposing party's legal opinion.
- 8.2 The parties will jointly appoint one sole arbitrator. The proceedings will be restricted to a single written exchange of briefs, citing the parties' reasons and applicable evidence; the arbitrator will then render an award on this basis. In all other regards, the provisions of the Swiss Civil Procedure Code (Schweizerische Zivilprozessordnung, ZPO) apply. If Orion denies its obligation to pay benefits and the insured person initiates proceedings at his own expense and secures a judgement that is more favourable to him than the solution set out in writing by Orion or than the result of the arbitration proceedings, Orion will meet the costs incurred as if it had consented to the proceedings.

Art. 9 Breach of obligations by the insured person

Orion can refuse or reduce its benefits in the event of any culpable breach of the obligations of disclosure and cooperation (e. g. deliberately incomplete or incorrect guidance concerning the facts).
This also applies if it does not result in any obligation for Orion to provide additional benefits.
