

Service providers for outpatient procedures. Health Insurance Livo Top.

CSS pays a share of the cost of additional and supplementary services and benefits obtained from the service providers listed below, taking into account the cost participation and maximum amounts indicated. CSS pays contributions towards additional and supplementary services and benefits during an inpatient procedure or outpatient treatment under "Health Insurance Livo Top" supplementary health insurance (as set out in the "Outpatient procedures and treatments" benefits list).

Cost participation and maximum amount

(see Arts. 2.4.3 and 2.5.1 SC)

100%, no limit

Co-payment in line with chosen option (see Art. 4.2 SC)

The conditions for the payment and scope of benefits are governed by the General Insurance Conditions and the Supplementary Conditions (SC) of "Health Insurance Livo Top".

The list is compiled by CSS and may be amended unilaterally by CSS (see Art. 40.2 GIC).

Additional notes

- The list contains all service providers recognised by CSS who provide additional and supplementary services and benefits during outpatient procedures. The insured person must find out prior to each outpatient procedure whether the chosen service provider is recognised by CSS.
- The additional and supplementary services and benefits used may be obtained directly from the provider. Evidence must then be submitted to CSS by post or via myCSS using the completed "Reimbursement of all-round comfort services Livo" form.
